This document serves to provide important information about the Plan. It is not the entire Plan document, but a summary of important information about the Plan. In addition to this summary plan description ("SPD"), ERISA requires that you receive a Statement of ERISA Rights, a description of Claim Procedures, and other specific information about the Plan. Your employer or Plan Administrator maintains the full Plan Document. If there is a conflict between the Plan Document and this SPD, the Plan Document controls. A copy of the Plan Document is available for review during normal working hours in the office of the Plan Administrator.

The benefits described in your Plan document are provided under a group Plan sponsored by the Employer and insured by Blue Cross and Blue Shield of Texas.

The eligibility for this insurance is as indicated in the *Schedule of Benefits*.

The *Eligibility Waiting Period* is further defined in the *Schedule of Benefits*.

00001

When does Your Contributory insurance become effective?

You may enroll for coverage during the *Annual Enrollment Period*, unless You qualify because of a *Change in Family Status*.

Your *Contributory* coverage will become effective on the latest of the following dates if You are *Actively at Work* on that date:

1. If You enroll for coverage prior to the *Policy Effective Date*, the *Policy Effective Date*; or
2. If You enroll for coverage after the *Policy Effective Date* on the first of the month that falls on or next follows the date You sign the *Enrollment Form*; or
3. If You enroll during an *Annual Enrollment Period*, the next *Anniversary Date* following the *Annual Enrollment Period*.

Coverage requested because of a *Change in Family Status* will become effective on the first of the month that falls on or next follows the date You sign the *Enrollment Form*.

00003

Change in Family Status

If You experience a *Change in Family Status*, You may enroll for coverage, apply for additional coverage, or request changes to Your current insurance coverage, provided the change is consistent with the *Change in Family Status*. For Your coverage to become effective, We must receive a completed *Enrollment Form* within 31 days of the *Change in Family Status*.

Change in Family Status means:

1. You get married; or
2. You have a *Dependent Child*, or You adopt or become the legal guardian of a *Dependent Child*; or
3. Your *Spouse* dies or You become divorced; or
4. Your *Dependent Child* becomes emancipated or dies; or
5. Your *Spouse* is no longer employed, resulting in a loss of group insurance; or
6. You have a change in employment classification which results in You changing from part-time to full time, or full-time to part-time employment.

00004A

When does Dependent coverage become effective?

Your *Dependent's* coverage will become effective on the latest of:

1. The date Your coverage becomes effective under the *Policy*, if You have enrolled for *Dependent* coverage on or before that date; or
2. The first day of the month following the date You enroll for *Dependent* coverage.

When does coverage for a new Spouse become effective?

Coverage for a new *Spouse* starts automatically on Your marriage. Your new *Spouse* will be a *Covered Person* for 31 days.

Your *Spouse* will cease to be a *Covered Person* unless:

1. You request, in writing within those 31 days continuation of such *Dependent* coverage; and
2. The required premium is paid. Premium will be charged from the date of marriage.

When does coverage for a newborn Child become effective?

If You have not previously elected *Dependent Child* coverage, coverage for a newborn *Child* starts automatically from the moment of birth if a *Child* is born to You. The newborn *Child* will be a *Covered Person* for 31 days. The newborn *Child* will cease to be a *Covered Person* after 31 days, unless:

1. You request in writing within those 31 days continuation of such *Dependent Child* coverage; and

If *You* currently have *Dependent Child* coverage, *Your* newborn *Child* will be automatically added to *Your* coverage.

00005

Will the Effective Date of coverage be delayed if Your Dependent is confined to a Hospital?

The *Effective Date* of coverage will be delayed if *Your Dependent*, other than a newborn *Child*, is confined in a *Hospital* on the date coverage would otherwise become effective. In such case, the *Dependent's* coverage will become effective on the first day of the month that follows discharge from the *Hospital*.

00006

What is an Annual Enrollment Period?

Unless otherwise specified, *Annual Enrollment Period* means a period of time during which *Employees* may enroll for coverage or request changes to their benefit plan. The *Annual Enrollment Period* is shown on the *Schedule of Benefits*.

Initial requests for coverage or requests for changes to existing coverage made during the *Annual Enrollment Period* will become effective on the next *Policy Anniversary Date*.

00007

If You are not Actively at Work, when does coverage become effective?

If *You* are not *Actively at Work* on the date *Your* coverage would otherwise become effective, and *Your* absence is caused by an *Injury*, *Illness* or layoff, *Your* effective date for any initial coverage or increased coverage will be deferred until the first day *You* return to *Active Work*.

However, *You* will be considered *Actively at Work* on any day that is not *Your* regularly scheduled work day (including but not limited to a weekend, vacation or holiday) if *You* were *Actively at Work* on the immediately preceding scheduled work day and *You* were:

1. not *Hospital Confined*; or
2. disabled due to an *Injury* or *Sickness*.

00008

Eligibility after You Terminate Employment

If *Your* coverage ends due to termination of employment, *You* must meet all the requirements of a new *Employee* if *You* are rehired by the *Policyholder* at a later date.

Exception: If *Your* coverage ends due to termination of employment and *You* return to *Active Work* for the *Policyholder* in an eligible class within 60 days, *We* will not apply a new *Eligibility Waiting Period* as defined in the *Schedule of Benefits*.

00009

What happens if We are replacing a Prior Policy?

1. were covered by a *Prior Policy* on the day immediately preceding the *Policy Effective Date*; and
2. *You* are on lay-off, non-medical leave of absence, or sabbatical leave; and
3. *You* are covered under an extension of benefits under the *Prior Policy*.

Coverage will continue for the first to occur of:

1. expiration of the balance of the extension of benefits under the *Prior Policy*; or
2. 12 months; or
3. the date the *Policy* terminates.

Prior Policy means the group vision insurance policy issued to the *Policyholder* immediately prior to the *Effective Date* of this *Policy*.

A change in *Your* coverage may occur if:

1. *You* enroll for a different benefit amount; or
2. there is a *Policy* change; or
3. *You* enter another class and become eligible for a change in benefits.

If *You* are eligible for additional coverage due to a *Policy* change, the additional coverage will be effective on the date the *Policy* change is effective, as requested by the *Policyholder* and agreed upon by *Us*.

If a change results in additional coverage, for reasons other than a *Policy* change, the change will be effective the first of the month following the later of:

1. The date *You* enroll for the additional coverage; or
2. The date *You* become eligible for the additional coverage, if enrollment is not required.

In order for *Your* additional coverage to begin, *You* must be *Actively at Work*. Additional *Contributory* coverage is subject to *Our* receipt of premium.

If a change results in a decrease in coverage the change will take effect immediately.

Exception: Increases or decreases to *Your* coverage made during the *Annual Enrollment Period* will become effective on the next *Policy Anniversary Date*, provided *You* are *Actively at Work* on that day.

GENERAL PROVISIONS

Entire Contract; Changes

The Entire Contract consists of:

1. The Group Insurance *Policy*;
2. The *Application*;
3. This *Certificate*;
4. The *Enrollment Forms* of the persons *Insured*, including any individual statements; and
5. Any riders; endorsements; or amendments to the *Policy* or the *Certificate*.

Coverage under the *Policy* can be amended by mutual consent of the *Policyholder* and *Us*. No change in the *Policy* is valid unless approved in writing by one of *Our* officers. No agent has the right to change the *Policy* or to waive any of its provisions.

Statements on the Application

All statements made in any signed *Application*, or other written and signed statement, are considered representations and not warranties (absolute guarantees). No representation by:

1. the *Policyholder* in applying for the *Policy* will make it void unless the representation is contained in the signed *Application* or other written and signed statement; or
2. any *Employee* in enrolling for insurance under the *Policy* will be used to reduce or deny a claim unless a copy of the *Application* for Insurance or other written and signed statement, if applicable, has been signed by the *Employee* and has been given to the *Employee*.

Legal Actions

Unless otherwise provided by federal law, no legal action brought to recover on the *Policy* of any kind may be filed against *Us*:

1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof must be filed, unless the law in the state where *You* live allows a longer period of time.

Clerical Error

Clerical error or omission by *Us* to the *Policyholder* will not:

1. Prevent *You* from receiving coverage, if *You* are entitled to coverage under the terms of the *Policy*; or
2. Cause coverage to begin or coverage to continue for *You* when the coverage would not otherwise be effective.

If the *Policyholder* gives *Us* information about *You* that is incorrect, *We* will:

1. Use the facts to decide whether *You* have coverage under the *Policy* and in what amounts; and
2. Make a fair adjustment of the premium.

Incontestability

The validity of the *Policy* shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. No statement *You* made relating to *Your* insurability under the *Policy* will be used to contest the validity of the insurance with respect to which such statement was made after such insurance has been in force for two years during *Your* lifetime, and in no event unless the statement is contained in a written instrument signed by *You* and a copy is given to *You* or to *Your* beneficiary.

Premium Provisions

Premiums are payable in United States dollars on or before their due dates. The *Policyholder* has agreed to deduct from *Your* pay any premiums payable for *Your* *Contributory* coverage. The *Policyholder* agrees to and is responsible for remitting such premiums for the entire time coverage under the *Policy* is in effect.

Premium charges for increases in insurance amounts becoming effective during a *Policy* month will begin on the next premium due date. Premium charges for insurance terminating during a *Policy* month will cease at the end of the month in which such insurance terminates. This method of charging premium is for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have become effective or terminated.

Misstatement of Age

If *You* have misstated *Your* age or the age of a *Dependent*, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and

3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that *You* should have been paid if the true age had been known.

Conformity with State Statutes and Regulations

If any provision of the *Policy* conflicts with the statutes and regulations of the state in which the *Policy* was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Assignment

Benefits under the *Policy* may not be assigned.

00018

The *Policyholder* can assist with the appropriate telephone number and address of *Our* Claim Department. Notice may be sent to *Our* Claim Department at the address shown on the claim form or given to any authorized agent of *Ours*.

Claim Forms

Within 15 days of *Our* being notified in writing of a claim, *We* will supply the claimant with the necessary claim forms. If the appropriate claim forms are not received within 15 days, then the claimant will be considered to have met the requirements for written *Proof* only if *We* receive written *Proof*, which describes the occurrence, extent and nature of the loss for which claim is made.

Proof of Loss

We must receive written *Proof* within 90 days of the date *You* receive services or supplies. If it is not possible to give *Us* written *Proof* within 90 days, the claim is not affected if the *Proof* is given as soon as possible. However, unless the claimant is legally incapacitated, written *Proof* must be given no later than one year after the time *Proof* is otherwise due.

No benefits are payable for claims submitted more than 1 year after the time *Proof* is due. However, benefits may be paid if it can be shown that:

1. It was not reasonably possible to give written *Proof* during the one year period, and
2. *Proof* was given as soon as was reasonably possible.

We will give *You* written response to *Your* claim, usually within 45 days. NOTICE

CONTINUATION COVERAGE RIGHTS UNDER COBRA

INTRODUCTION

You are receiving this notice because You have recently become covered under Your Employer's group health **plan** (the Plan). This notice contains important information about Your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage may be available to You and to other members of Your family who are covered under the Plan when You would otherwise lose Your group health coverage. Contact Your Employer to determine if You are eligible for COBRA continuation coverage.

This notice generally explains:

- COBRA continuation coverage,
- When it may become available to You and Your family, and
- What You need to do to protect the right to receive it.

This notice gives only a summary of Your COBRA continuation coverage rights. For more information about Your rights and obligations under the Plan and under federal law, You should either contact the Plan Administrator or review the Certificate or Certificate of Coverage provided to You by Your Plan.

The Plan Administrator of the Plan is named by the Employer or by the group health plan. Either the Plan Administrator or a third party named by the Plan Administrator is responsible for administering COBRA continuation coverage. Contact Your Plan Administrator for the name, address, and telephone number of the party responsible for administering Your COBRA continuation coverage.

COBRA CONTINUATION COVERAGE

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and Dependent children of employees may be qualified beneficiaries. Under the Plan, generally most qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. Contact Your Employer and/or COBRA Administrator for specific information for Your Plan.

If You are an employee, You will become a qualified beneficiary if You will lose Your coverage under the Plan because either one of the following qualifying events happens:

- (1) Your hours of employment are reduced; or
- (2) Your employment ends for any reason other than Your gross misconduct.

If You are the spouse of an employee, You will become a qualified beneficiary if You will lose Your coverage under the Plan because any of the following qualifying events happens:

- (1) Your spouse dies;
- (2) Your spouse's hours of employment are reduced;
- (3) Your spouse's employment ends for any reason other than his or her gross misconduct;
- (4) Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
- (5) You become divorced or legally separated from Your spouse.

Your Dependent children will become qualified beneficiaries if they will lose coverage under the Plan because any of the following qualifying events happens:

- (1) The parent-employee dies;
- (2) The parent-employee's hours of employment are reduced;
- (3) The parent-employee's employment ends for any reason other than his or her gross misconduct;
- (4) The parent-employee becomes enrolled in Medicare (Part A, Part B, or both);
- (5) The parents become divorced or legally separated; or
- (6) The child stops being eligible for coverage under the Plan as a "Dependent child."

If the Plan provides health care coverage to retired employees, the following applies:

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee is a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and Dependent children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred

The Employer must notify the Plan Administrator within 30 days when the qualifying event is:

- The end of employment;
- The reduction of hours of employment;
- The death of the employee;
- In the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer; or
- The enrollment of the employee in Medicare (Part A, Part B, or both).

For the other qualifying events (divorce or legal separation of the employee and spouse or a Dependent child's losing eligibility for coverage as a Dependent child), You must notify the Plan Administrator. The Plan requires You to notify the Plan Administrator within 60 days after the qualifying event occurs. Contact Your Employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that Plan coverage would otherwise have been lost.

COBRA continuation coverage is a temporary continuation of coverage. COBRA continuation coverage *may* last for up to 36 months when the qualifying event is:

- The death of the employee;
- The enrollment of the employee in Medicare (Part A, Part B, or both);
- Your divorce or legal separation; or
- A Dependent child losing eligibility as a Dependent child.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage lasts for up to 18 months. There are two ways in which this 18-month period of COBRA continuation can be extended.

Disability extension of 18-month period of continuation coverage

If You or anyone in Your family covered under the Plan is determined by the Social Security Administration to be disabled at any time during the first 60 days of COBRA continuation coverage and You notify the Plan Administrator in a timely fashion, You and Your entire family can receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. You must make sure that Your Plan Administrator is notified of the Social Security Administration's determination within 60 days of the date of the determination and before the end of the 18-month period of COBRA continuation coverage. Contact Your Employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second qualifying event extension of 18-month period of continuation coverage

If Your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and Dependent children in Your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and Dependent children if the former employee dies, enrolls in Medicare (Part A, Part B, or both), or gets divorced or legally separated. The extension is also available to a Dependent child when that child stops being eligible under the Plan as a Dependent child.

In all of these cases, You must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event. Contact Your Employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

IF YOU HAVE QUESTIONS

If You have questions about Your COBRA continuation coverage, You should contact the Plan Administrator or You may contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone number of Regional and District EBSA Offices are available through EBSA's website at [**www.dol.gov/ebsa**](http://www.dol.gov/ebsa). In order to protect Your family's rights, You should keep the Plan Administrator informed of any changes in the addresses of family members You should also keep a copy, for Your records, of any notices You send to Your Plan Administrator.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). This notice summarizes your protections.

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.

Individual annuities: Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

Other policy types: Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

Individual aggregate limit: Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.

Parts of some policies might not be protected: For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

These protections apply to insolvencies that occur on or after September 1, 2019. There may be other exceptions that aren't included in this notice. When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

END OF CERTIFICATE

STATEMENT OF ERISA RIGHTS

As a participant in the Plan You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974, 29 U.S.C. §1001, *et seq.*, as amended ("ERISA"). ERISA provides that all plan participants shall be entitled to:

1. Receive Information about Your Plan and Benefits

- a. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- b. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- c. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other plan participants and beneficiaries. No one, including Your employer, Your union, or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

3. Enforce Your Rights

If Your claim for a welfare benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, You may file suit in federal court. In such case, the court may require the Plan Administrator to provide the materials and pay You up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees if, for example, it finds Your claims are frivolous.

4. Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have questions about this statement or about rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, Washington, D.C. 20210. You may obtain certain publications about Your rights and responsibilities under ERISA by calling the publication hotline of the Employee Benefits Security Administration.

ERISA INFORMATION STATEMENT

The benefits described in Your certificate are insured by an Insurance Policy ("Policy") issued by Blue Cross and Blue Shield of Texas ("We" or "Insurer"), pursuant to an "Employee welfare benefit plan" ("the Plan") as defined in Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), 29 U.S.C. §1002(1) established by Your employer, or where applicable, employee organization (the "Policyholder").

Every employee welfare benefit plan must be established and maintained pursuant to a written instrument that provides for a Plan Administrator. Your Plan Administrator has delegated the authority to administer claims under the Policy to the Insurer. As claims administrator, We will make decisions concerning eligibility and benefit determinations in accordance with the Policy provisions.

A. ADMINISTRATION OF THE PLAN

The Plan Administrator is the person or entity responsible for the administration of the Plan. The Plan Administrator has full discretionary authority and control over the Plan. This authority provides the Plan Administrator with the power necessary to operate, manage and administer the Plan. This authority includes, but is not limited to, the power to interpret the Plan and determine who is eligible to participate, to determine the amount of benefits that may be paid to a participant or his or her beneficiary, and the status and rights of participants and beneficiaries. The Plan Administrator also has the authority to prescribe the rules and procedures under which the Plan shall operate, to request information, and to employ or appoint persons to aid the Plan Administrator in the administration of the Plan.

Failure by the Plan or the Plan Administrator to insist upon compliance with any provisions of the Plan at any time or under any set of circumstances shall not operate to waive or modify the provision or in any manner render it unenforceable as to any other time or as to any other occurrence, whether the circumstances are or are not the same. No waiver of any term or condition of the Plan shall be valid unless contained in a written memorandum expressing the waiver and signed by the person authorized by the Plan Administrator to sign the waiver.

The Plan may be amended, terminated or suspended in whole or in part, at any time without the consent of the Employees or beneficiaries. Any amendment, termination or suspension shall be in writing, and attached to the Plan. Any amendment, termination or suspension shall be executed according to the Employer's authorized procedures. Any such authorization may be specific to the Plan or persons authorized to act on behalf of the Employer or may be general as to duties of such person. Except for termination or suspensions, any amendments affecting the Policy and/or Certificate must also be approved in writing by an officer of the Insurer and shall be effective as of the date agreed to, in writing by the Plan Sponsor and the Insurer. Notwithstanding anything to the contrary in this document, the Policy shall terminate according to the provisions in the Policy.

The Plan has other fiduciaries, advisors and service providers. The Plan Administrator may allocate fiduciary responsibility among the Plan's fiduciaries and may delegate responsibilities to others. Any allocation or delegation must be done in writing and kept with the records of the Plan. As stated above, the Plan's benefits are provided to You pursuant to an insurance Policy issued to the Company. The Insurer shall, with respect to the Policy:

- resolve all matters when a review pursuant to the claims procedures has been requested;
- interpret, establish and enforce rules and procedures for the administration of the Policy and any claim under it; and
- determine eligibility of Employees and dependents for benefits and their entitlement to and the amount of benefits.

Each fiduciary is solely responsible for its own improper acts or omissions. Except to the extent required by ERISA, no fiduciary has the duty to question whether any other fiduciary is fulfilling all of the responsibilities imposed upon the other fiduciary by law. Nor is a fiduciary liable for a breach of fiduciary duty committed before it became, or after it stopped being, a fiduciary. However, a fiduciary may be liable for a breach of fiduciary responsibility of any Plan fiduciary, to the extent provided in ERISA Section 405(a), 29 U.S.C. §1105(a).
